

Arcadis Australia Pacific

Sydney, New South Wales

Arcadis is a leader in built and natural asset design and management with the business originating in the Netherlands and now boasting more than 27,000 employees in over 40 countries.

Arcadis Australia Pacific has been operating for over 75 years, recently relocating its head office from North Sydney to Sydney's CBD with over 450 of its staff transferring to the new premises. The modernised facilities have created a more agile, collaborative and flexible working environment for its employees with a positive atmosphere. **Arcadis's** head office layout features numerous open space areas with a modern styled workplace design.
